Linkedin <https://www.linkedin.com/in/karla-bego-visual-development-0a1494203>

Profile: Highly motivated and productive individual focused on visual development with a wider range of skills varying from digital to traditional media. Some of my strong points are that I'm fast and efficient all whilst having an abundance ideas that can show my versatility.

Work experience:

February-March 2021: Worked on a client project as a part of a group, my role was that of a character designer, animator an editor.

March-May 2021: Helped final year with their thesis film, designing and animating shots.

June 2018 | Volunteering | International Children's Festival Sibenik: My main roles were taking care of the children, looking after the supplies and occasionally translating from English to Croatian.

Education: 2015-2019 | Graphic design | School of Applied Arts Rijeka | Croatia
2019-present | Animation (BA) | Nottingham Trent University
2019 | Passed Matura exams in English, Croatian and Maths

Achievements: Won around dozen awards in art, some of them being: Sferica, Extempore and Lidice
